

Hypnosis – Everywhere: Ines Simpson and the Simpson Protocol
Wednesday at 11 AM Pacific
February 20th 2019: Hypnosis- Going for the Higher Mind!

We chat with Stephanie Conkle who coincidentally works a type of Hypnosis that uses a Higher Mind concept - we call Superconscious. We will investigate how we both came to this process for different angles of approach (perhaps). She also works with kids who have autism and is a strong advocate for these kids and we will talk about that and her other adventures in this world of Hypnosis.
